

The weather forecast Monday was for rain Monday night or Tuesday, and a continuation of about the same general weather conditions as Monday.

The average temperature on Monday was 78 degrees. At the weather bureau it was said that there was no chance of cooler weather for the present.

## Jacobs' Liver Salt On Arising

Enjoy  
Your  
Breakfast

 No appetite in the morning? Bilious? Headache? Bitter thing in the world for you? Jacob's Liver Salt.

stipation, flatulence, daytime drowsiness, wakefulness at night, mental depression. **FOURTH MONING.** Undigested food fermented in the duodenum, the poison enters the system.

**Jacobs' Liver Salt** instantly furnishes the alimentary tract with water, sending a cleansing stream through the entire portal vein of the system. The packed, clogged matter loosens, and with the fermentation washed away, pressure is removed, liver and kidneys resume their natural elastic action, the portal vein, the liver, and the digestive action, as with calomel, severe pain is never a gripe, no pain or purgation.

It is effective in all cases, on arising you feel better, the salt, good, good.

Some people wonder why J. M. High Co. can sell merchandise of the best class at lower prices. Here are the reasons:

Our New York connections representing the combined purchases of 31 Department Stores with a buying power of over 21 millions of dollars, consequently we get in on everything on the ground floor. Leonard Syndicate, Everett Building, Union Square, New York, are ever "on the job" with their skilled knowledge. We are in constant telegraphic communication with them. The moment a style is born, in New York, it is shown simultaneously at "High's"—because our Buying Sleuths are ever on the alert. 150 to 200 buyers from all the largest houses of the country meet in this New York office daily. Do you think these keen, shrewd men would miss anything?

ASKS \$10,000 FOR  
LOSS OF HIS EYE

J. T. Murphy Sues Harry O'Donnelly and New South Brewing and Ice Co.

At the point of a fight in which he lost an eye, J. T. Murphy entered suit Monday morning in the superior court for \$10,000 damages against Harry O'Donnelly, who delivered the blow, and the New South Brewing and Ice company, for which O'Donnelly is the local agent.

Murphy's suit is the first of the kind in the city. He is the agent for the company here and O'Donnelly succeeded him. The company entered suit against him, he answered and he brought a counter suit, which involved O'Donnelly.

On September 25, he asserts, O'Donnelly, whom he describes as a man of a very dangerous disposition, met and struck him with some blunt instrument, putting out his left eye.

Murphy also declares in his petition that O'Donnelly is now in hiding, and is the state's writ of habeas corpus to prevent his leaving the state, and is now in the custody of W. H. Smith, the injured man.

**Early Morning Fire**  
A building house owned by the Governor's House Guards and conducted by W. D. Dink, at 107 Piedmont avenue, was damaged slightly by fire at 5 o'clock Monday morning. A man who happened to be passing noticed the flames and alerted the occupants of the house. It is a two-story frame structure.

MR. JULIUS BUKOFZER  
DIED ON SUNDAY NIGHT

The friends of Bruno Bukofzer, manager of the Terminal hotel, are today expressing their condolence over the death of his father, Mr. Julius Bukofzer, Sunday night in Chattanooga.

Mr. Bukofzer was sixty years of age and had been in failing health for several years. Only recently he had returned from a two years' sojourn in Europe, where he went in the hope that a change of climate might benefit him.

Mr. Bukofzer was at the head of several Atlanta hotels before his retirement from active life, and was well known in the city.

Surviving Mr. Bukofzer are his wife, his daughter, Mrs. Rose Simpson, and his sons, Edwin Bukofzer, of New York, and Bruno Bukofzer, of Atlanta.

MANY ALLURING BARGAINS GIVEN  
AT HIGH'S ANNIVERSARY SALE

Bewildering Array of Splendid Features at Sale Which Will Last Through October

J. M. High Company's thirty-third anniversary sale opened Monday morning. Were you there? Everybody else was. But if you missed the opening, you will have the whole of October to make good.

The sale will last through October, and every day there will be a new group of alluring bargains.

"Every day will be better than the one preceding it," said W. H. Brittain, president and general manager of the company, Monday morning. The store was crowded then, and the first day's sale was going with a rush. "That's the point of our motto: 'Best yesterday.' We've got last winter's record to break, and we are going to get a good start right now toward breaking it. In a few years we have climbed from a business of \$50,000 a year to one of \$1,000,000. Next year we are going to make it a million and a quarter."

Many things that hearts would desire were on display at Monday's sale, as "specials." There were dress coats and suits, luxurious woolen textures, domestic goods, glassware, porcelain, sheets, blouses, towels, gold jewelry, silver novelties, boys' clothing, women's and men's suits, dresses and coats, men's underwear, shirts and neckties, sweaters, rugs, carpets, draperies, silk, hosiery, lace, gloves, shoes—these and a bewildering array of other things, with a list of anniversary sale features that no one could resist: all at remarkable prices.

**LOW PRICES.**  
"Add the prices we are able to offer are amazing to many people," said Mr. Brittain. "They are asking us repeat, 'How is it that you can sell this at such a low price when the quality is so good?' The reason lies in something that comparatively few people know. We are members of a great buying syndicate of thirty-one stores. That explains our prices."

"Our combined purchases through the J. T. Leonard syndicate, in New York amount to the staggering total of \$21,000,000. Consequently we get everything on the ground floor, so to speak. We get the lowest price because the syndicate buys in such tremendous quantities, and then distributes it to the thirty-one stores that compose it. We pass the bargains on to our customers."

By operating with thirty other stores as a buying syndicate, we obtain a distinct buying advantage. Our syndicate, for instance, will buy the whole output of a mill—something that no one store possibly could do, and it gets a correspondingly low price."

**THIRTY-THREE YEARS OLD.**  
Thirty-three years ago the business of J. M. High Company was founded by Mr. High at 59 Whitehall street. That was in 1880. The business grew until it demanded its own building, and in 1889 the move was made to the present building, owned by the company, at the corner of Whitehall and Hunter streets.

Three months ago the plans for this present anniversary sale were started. Now an extraordinary occasion is the result. Every one of the thirty departments of the store, on all five of the floors, including everything from furniture to millinery, is represented in the sale. The sale promises already to equal the success of all previous anniversary celebrations.

Shots From Night  
Crash Into Central  
Of Georgia Train

Special agents of the Central of Georgia railroad are investigating the make-believe work of some persons who fired into train No. 15, Albany to Atlanta, in or near Lovejoy, Sunday night. The through train was whizzing along at a good speed, with just a few miles to go when it arrived in Atlanta at 5:05 o'clock, when a number of bullets from the darkness smashed windows and splintered woodwork. Agents went down from Atlanta to catch the offenders immediately after report of the affair was made.

HOME-COMING DAY AT  
MOORE MEMORIAL CHURCH

The ladies of Moore Memorial church will give a reception to their friends Wednesday evening from 7:30 to 10 o'clock.

This will be in the nature of a home-coming entertainment and everybody is cordially invited. No invitations.

Colonel W. I. Vason died at his country home near Tallahassee, Fla., on the 24th inst. Colonel Vason was a Georgia veteran, having served in the "Civil War" under General Joe Wheeler. He was seventy-eight years of age.

Customers. By operating with thirty other stores as a buying syndicate, we obtain a distinct buying advantage. Our syndicate, for instance, will buy the whole output of a mill—something that no one store possibly could do, and it gets a correspondingly low price."

## "Missionary Century"

That the transitional period through which the world is now passing, will, when viewed through the perspective of time, be known as the "missionary century of all the ages," was the prophecy made by Dr. Dinkler Ogden in a sermon Sunday morning at the Central Presbyterian church.

"I believe that when the history of this hundred years is written by some one in the future, having all the turbulent episodes and revolutionary changes of the century laid out before him," said Dr. Ogden, "the political struggles, the industrial developments, will all be overshadowed and the period will be known pre-eminently as the 'missionary century of all the ages.'"

CHILDREN HATE OIL,  
CALOMEL AND PILLS

"California Syrup of Figs" best for tender stomach, liver, bowels.

Look back at your childhood days. Remember that old mother insisted you take them, now you fought against taking them.

With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is well-founded. Their tender little "innies" are injured by them.

If your child's stomach, liver and bowels need cleansing, give only "California Syrup of Figs." Its action is positive, but gentle. Mothers keep this harmless "fruit laxative" handy; they know children love to take it; that it never fails to clean the liver and bowels and sweeten the stomach; and that a teaspoonful given today saves a sick child tomorrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly on each bottle. Beware of counterfeiters sold here. See that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.

## MEN AND RELIGION BULLETIN NO. 79

## You Should Vote

**"Choose you this day whom you will serve."**

---Joshua 24:15

The population of Los Angeles is 319,193. It has grown by leaps and bounds.

One of that city's newspapers, under date of July 6th, 1913, said:

"March, 1909, Alexander became Mayor and has held the office continuously since that date.

"Since that day the city has had clean, honest government—

"It is probable that in this period of law enforcement the population of the city has doubled.

"Never has there been such uninterrupted activity in building. In the fiscal year ending June 30th, 1909, 7,844 building permits were issued, calling for construction valued at \$11,187,684. In the fiscal year that ended last Monday (July, 1913) 17,568 permits were issued, and the value of construction called for by them was \$34,662,511.

**"DECENCY IN GOVERNMENT PAYS—**

"The lugubrious prophecies of the apologists and defenders of vice, who fought for the continuance of the old immoralities, for protection, for a wide open town, for toleration of debauchery, because it was good for business, were proved to be false prophecies.

"Never in all the history of the city has business made such strides as during these four years of law enforcement.

"Never have the banks made greater gains in strength—

"A local savings bank presented a biennial comparative statement—

"In 1909 it had resources amounting to \$23,980,670. After four years of honest, clean municipal administration, of enforcement of the law, of repression of those vices for which toleration had been demanded by apologists for vice, the resources of that same bank total \$46,638,811."

On the wall of the office of Mayor Alexander hung this motto:

"Except the Lord keep the city, the watchman waketh in vain."

The same Los Angeles newspaper added:

"The city should remember the beginning of the verse—

"Except the Lord build the house, they labor in vain that build it."

**SEATTLE HAS 237,194 INHABITANTS.**

Like Los Angeles, it is another city whose name means business, growth and prosperity.

Gill was elected its Mayor on the "wide open town ticket." Soon it was rumored that the very Chief of Police had an interest in a gambling hell. One enterprising citizen started building a two hundred room house in the segregated district.

**GILL WAS RECALLED** and thrown out of office. The pimps and panderers were driven out of the city. Gill tried to come back. He was again defeated.

Seattle is still growing. Three years ago her people recognized that decency meant progress.

Filth and foul odors always mean decay and death.

Let us have none in Atlanta.

As one who loves your city and your Maker, you should vote tomorrow without fail.

Ask no candidate: "How do you stand?"

But vote for no one until you know who is supporting him. Find this out.

**THEN VOTE AS YOUR CONSCIENCE BIDS YOU.**

If you believe that God wishes to re-establish and maintain in Atlanta brothels which depend for their existence upon the betrayal of girls, vote for those supported by the men who have tried to hamper and hamstring your Chief of Police in doing his duty.

If you believe that God wishes to destroy an honest official and enthrone Judas, vote for the crowd that is camping on the trail of Chief Beavers.

But, if you believe that God would reward fidelity to duty; if you believe that He would have you and your children live in a city that is clean, and with foundations not built upon the suffering of others, vote for those who are opposed by the men who believe in the licensed brothel and seek a Chief of Police who would be false to his oath of office.

**YOUR DUTY DEMANDS THAT YOU VOTE.**

Tomorrow is a critical day in your city and in your life.

"Choose you whom you will serve."

## Hundreds of Answers to the Suit Question

Choosing the suit this fall is a very pleasant task—at Chamberlin-Johnson-DuBose Co.

It is pleasant because so much has been done for you before you ever see the suit we offer.

The bare fact that here are hundreds of answers to the suit question is of little importance in itself:

But such answers!

We have been more scrupulous than you could ever believe we have not admitted a style that is doubtful.

Suits had to be right!

We did what we are now advising you to do.

We went to the makers who are closest to Paris, those who seem to have the knack of doing things a bit better than the average, of adding the touch, of watching the details that distinguish the suit you will like from the ordinary kind.

Any reason why a woman with a suit to select should deny herself the privileges of such a suit store as this?

## Scotch Plaid Skirts

Their vogue is pronounced—that is the vogue for such skirts as you will see here—in New York it amounts to a rage.

They are smart—the "Scotch" of Scotch plaids are used, but soft toned colors, showing dark green, navy, purple and dark red in wonderfully effective combinations. The models are draped and some are very wide in the hips, all with raised waist line. See them! They are priced at

\$6.50, \$7.98, \$8.75 & \$11.98

## Women's Blanket Robes

They are rich affairs this season—following the tendencies that dominate the styles.

Great swirling patterns, neat patterns, materials full of warmth and comfort. Indian effects seem to lead.

Right now the display is very interesting.

Then there are others for men, such that keep a man home o' nights.

They are priced at

\$3.00, \$3.95, \$5.00 to \$7.50

## Blouses That Bloomed in Paris—First

And flowers of fashion they are!

Paris has outdone herself this fall in blouses, too.

There is an oddity and novelty about them that no other season has brought it shows in:

...fabrics—trimmings—colors—fashioning.

There are crepes that are the finest tissues.

Cliffons burdened with patterns.

Allover laces in curious, "ranging" patterns.

There are bead trimmings—an Oriental influence—and there are laces side by side with velvets and pestry trimmings.

There are colors that a native Bulgarian would affect—to match or to contrast with your suit.

They are fashioned—it seems Paris was in a gay mood—into boleros, vest effects, overhanging blouses, Russian blouses—one after another.

And all with that distinguishing Paris touch that marks the difference between elegance and expense. Atlanta women will appreciate this!

## Women of Cairo Propose Monument to Roddenbery

# TEN KILLED IN SUNDAY RIOT IN MISSISSIPPI

---

## Crazed by Drugs, Boys Shoot Up Town and Pay Penalty

(By Associated Press.)

HARRISTON, Miss. Sept. 29.—Harriston, the scene of yesterday's riot, which cost the lives of ten persons and the wounding of a score of others when two drug-crazed negro boys, Walter and Will Jones ran amuck, was quiet today.

Of the seriously injured all were still alive today, but grave fears are felt for E. P. Appleby, who was shot by one of the Jones boys' desperadoes. Reports from the Natchez hospital, where he was taken after being shot down, were that he was in a dangerous condition.

Mr. Reddenberry's stand on prohibition is well known, not only over the Third district, but over the state and nation as well and the local union feels that the sympathizers of the prohibition movement will rally nobly in this cause.

from the residence. It was necessary to postpone the time half an hour in order to allow those who came from various points in the district time to pass through the room and see the body as it lay surrounded by the most won-

derful display of flowers that was even seen in this section of Georgia.

Promptly at 11 o'clock Rev. J. H. Rushin began the ceremony. Rev. W. J. Harris offering a short prayer and Mr. Hansell Watt singing "The Christians Good-night." Mr. Rushin paid a shoudn't but intensely effective tribute to the honesty, the faith, the power and the beauty of the life of Mr. Roddenberry.

The members of the congregation delegation from Washington arrived at 9:15 and were taken at once to the hotel in autos, thence after breakfast to the house, where they stayed the

body and remained in the room where the services were conducted. The family followed the family out of the house after the funeral and to Laurel Hill cemetery, where Mr. Roddenbery's body was laid to rest.

The conservative estimate of visitors to the city Sunday was 1,800, coming from every section of the district. Official delegations were present from Albany, headed by Mayor Tarver, and from Valdosta, headed by Judge W. Thomas. The country friends of Congressman Roddenberry were here in great numbers and there was noticeable absence of curiosity just to see the federal. They came with love in their hearts for him and they desired simply to look the last time at his face and pay their small share of tribute to his

Yes—so did we. # To the Citizens of Atlanta

I am a candidate for ALDERMAN FROM THE FOURTH WARD, and I ask for your vote and support on the following platform: :

## MY PLATFORM:

*I Stand for a Liberal, Progressive and Straight Business Policy*

I am in favor of each and every citizen of Atlanta knowing how every dollar of the public's money is spent and where it is spent.

I am in favor of a strict business administration of the city's affairs with absolute publicity to the citizens of Atlanta.

I am in favor of paying all city employees, big or little, good salaries, and demanding good services in return for the good salaries.

I am in favor of the people being allowed to vote on all big expenditures of the city's money.

I am in favor of the equalization of taxes and securing the very lowest tax rate possible to maintain and support the city.

I am in favor of each and every department of the city being run separately and independent of each other, thereby fixing the responsibility of each department on the head of each department.

I am in favor of more policemen being placed in the residence sections of our city, thereby giving protection to lives and property. I am in favor of paying all policemen a salary of One Hundred (\$100.00) Dollars per month, thereby keeping all good men on the force, and securing good men for the force. The high cost of living demands a salary of One Hundred (\$100.00) Dollars per month for the policemen, and will be an inducement to get the very best of men on the police force.

I am in favor of allowing all of the city firemen to spend two nights of each week at their homes, with their people, wives and children. The city firemen are the only class of people who are deprived of this right, except criminals, and the duty of the city firemen is to protect lives and property, and certainly the good people of Atlanta will be willing for the city firemen to have the right to spend two nights each week with their people, wives and children.

I am absolutely opposed to the City Council being allowed to change our form of government or legislating themselves into office. I am in favor of the changes in our form of city government being dealt with as seriously as the Constitution of our State.

I am opposed to ring politics; to petty politics; and I am being opposed by all ring politicians, and by all the petty politicians.

I have never asked for public office, nor held one. I am asking for your vote and support on my platform, and my record as a citizen of Atlanta.

Respectfully, AMOS W. BRASELTON

# Mr. Hancock's Record in the City Council

## Voted Several Times Against Electing City Officials by the People

A LETTER has been sent to the Voters of the City by Mr. W. A. Hancock, candidate for Alderman from the Eighth Ward, in which he takes credit for many things done by the General Council during his extended service in that body.

The record of a public official is always a legitimate subject of discussion, and some specific votes by Mr. Hancock which are not mentioned in his letter.

The City Executive committee ordered a vote on the question of electing the Recorder, General Manager Waterworks, City Comptroller, City Marshal, City Electrician, City Clerk, City Building Inspector and City Warden by the people. Mr. John S. Owens was a member of this Committee and voted FOR it.

In this election the people voted over 6,000 to 900 that these officials should be elected by popular vote.

A resolution was introduced in Council to amend the Charter and carry out the decision of the people. A motion was made to lay it on the table. Mr. Hancock voted YES. (Minutes of Council No. 21, Page 699.) Various motions were made to strike from the list several officials named by vote of the people. Mr. Hancock voted TO STRIKE each one proposed. (Minutes of Council No. 21, Page 708.) Afterwards a resolution was introduced to "Carry out the will of the people." Mr. Hancock voted "No." (Minutes of Council No. 22, Page 15.)

Throughout the whole fight Mr. Hancock was "Johnnie-on-the-spot" and hand in glove with the "City Ring" to defeat the will of the people and voted in favor of all motions to delay or to defeat the expressed decision of the people in the election held on the subject. Minutes of Council No. 22, Pages 63, 66 and 427.

The people finally won their fight, and these officials are now elected by popular vote, but it was OVER the vote of Mr. Hancock.

Now, Mr. Voter, if Mr. Hancock, when last in Council, refused to carry out your will, as expressed at the ballot-box, can you expect him to carry out your will, if he is put back in Council, where you hold an election on the subject, or simply express it to him in person. He has shown a contempt for the people, even when they acted and voted together almost unanimously. How can he now ask the same people to re-elect him as their REPRESENTATIVE. A representative is a man who represents. He did not do it. You can not now expect him to do it. "By their fruits ye shall know them."

Mr. John S. Owens has never been in politics. He is not lined up with any faction. He will put some "new blood" into our City Government. He is an active, successful business man. He is the kind of man the people are always saying they want in Council. Now is the chance to get SUCH A MAN!

JOHN S. OWENS Campaign Committee.
